

# Filter Papers

Harris Filter papers made from unbleached natural paper are specially designed for use in filter coffee brewers.

- Try one of the following delicious Harris coffee blends:
- Harris Black Label for a rich full bodied coffee
- Harris Premium Blend for a more delicate roast
- Harris Decaffeinated for a smooth and aromatic coffee
- Or Harris Mocha Kenya Style for a more exotic taste and aroma

For best results always follow these directions:

1. For Aesol fit - fold Filter Paper along bottom line.

2. Place Filter Paper in filter holder and measure required amount of Harris Coffee.

3. Add water and enjoy.
